

2025-26 Bright Ideas Grants (BIG) Program

Reflection and Reporting Requirements

Congratulations on your BIG idea! The Fayette Education Foundation is thrilled to support you in your quest for innovation and excellence in your classroom and beyond. Our goal is to retrieve data that will help us report to the community and donors on their investment in our students.

We ask two things of you in return:

1. PHOTO UPDATE (due between September and March – once your program is up and running)

We want to see your successes and progress. Show us your story through photos and a few words. Videos are encouraged but not required.

Submit to c.boling@fayettefoundation.org or text to 859-489-3805.

2. REFLECTION/REPORT

We want to hear about your BIG idea. **The report is due May 1**, but you can submit information ***anytime between January 1 and May 1***. Links to the report form will be available at fayettefoundation.org/funded-grants/

You will be asked to reflect on the following points in the final report.

- How was the project implemented?
- What data was included? (Include data)
- Explained what the data showed. Did the data show what was expected?
- Describe the impact the project had on the school/students. Did you meet your objectives?
- What would you change? Why?
